ARTICLE 17. To see what sum the town will vote to raise and appropriate for Payment on Short Term Equipment Notes Outstanding.

ARTICLE 18. To see if the town will vote to appropriate \$20,000.00 from General Revenue Sharing Trust Fund transfer same to the Payment of Notes and Bonds account for the purpose of the first year's payment on the Municipal Garage notes, said funds to come from the 1972-1973 Entitlement period and the 1973-1974 Entitlement Period.

ARTICLE 19. To see what sum the town will vote to raise and appropriate for Payment on Water Bonds.

ARTICLE 20. To see what sum the town will vote to raise and appropriate for the development of a new town dump.

ARTICLE 21. To see what sum the town will vote to raise and appropriate for sealing of the Tennis Courts.

ARTICLE 22. To see if the town will vote to authorize the Selectmen to borrow on short term notes for a period not to exceed five years an amount not to exceed \$40,000.00 for the Purchase of a New Fire Truck.

ARTICLE 23. To see what sum the town will vote to raise and appropriate for the use of a Bicentennial Committee to be appointed by the Selectmen to promulgate plans for the Town of Gorham's celebration of our country's two hundred anniversary in 1976.

ARTICLE 24. To see if the town will vote to appropriate from cash on hand the sum of \$12,500.00 for the Purchase of a New Highway Truck.

Article 25. To see if the town will vote to authorize the Selectmen to borrow a sum not to exceed \$75,000.00 in short term notes, plus interest, to be paid over a five year period for the purpose of extending water and sewer lines to take in the new housing development off the Jimtown and Lancaster Roads, by the E. Libby & Sons Company, Inc., under the direction of the Water and Sewer Commissioners; and to authorize the Selectmen and Water and Sewer Commissioners to enter into an agreement with E. Libby & Sons Company, Inc., for the collection of \$500.00 per lot sold as immediate partial recovery of this investment as lots are sold.

ARTICLE 26. To see if the town will vote to authorize the Selectmen to borrow a sum not to exceed \$45,000.00 in short term notes to be paid over a period not to exceed five years, as the Town's Share of the Replacement of the Jimtown Road Bridge by the Moose Brook State Park, which includes a 28-foot roadway bridge with 4-foot sidewalks, a temporary bridge while under construction and 300-feet of approaches as designed and estimated by the State of New Hampshire, Department of Public Works and Highways, Bridge Division.

ARTICLE 27. To see if the town will vote to appropriate the sum of \$15,000.00 from cash on hand for the purpose of updating the report on Sewerage and Sewage Treatment facilities, completing an infiltration/inflow analysis or any other requirements contained in P.L. 92-500 which will qualify the Town for Federal Funds, such sum to be appropriated under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the N.H. Statutes Annotated 1955 and any amendments thereto) as shall be in the best interests of the Town of Gorham and pass any vote relating thereto.

ARTICLE 28. To see if the town will vote to amend the Ordinance For The Licensing And Regulation Of Dogs as follows: Section I. Definition of Terms. Subsection C. To read as follows: "At Large" shall be intended to mean off the premises of the owner, and not under the control of the owner or member of his immediate family either by leash, cord, or chain. This deletes the words "or otherwise."

ARTICLE 29. To see if the town will vote to authorize the Selectmen to join on behalf of the Town of Gorham the North Country Council of Regional Planning.

ARTICLE 30. To see if the town will vote to authorize the Selectmen to apply for, contract for and accept aid relative to any disaster which may occur at any future time making the Town eligible for any Federal Disaster Assistance or other aid or assistance that may be available at such time.

ARTICLE 31. To see if the town will vote to authorize the Selectmen to hire money on temporary notes in anticipation of taxes covering the period from March 5, 1974 to the Annual Meeting of 1975.

ARTICLE 32. To see if the town will vote to authorize the Selectmen to sell any property bought by any tax sale; or to which the town holds title by deed, not used for municipal purposes.

ARTICLE 33. To see if the town will vote to authorize the Selectmen to dispose of surplus miscellaneous town equipment, with property having reasonable value in excess of \$200.00 to be sold at public sale unless used for trade-in.

ARTICLE 34. To hear reports of town officers, agents, committees heretofore chosen, and to pass any vote relating thereto.

ARTICLE 35. To transact any other business that may legally come before the meeting.

The polls shall be open at nine of the clock in the forenoon and shall close not earlier than six of the clock in the afternoon.

Given under our hands and seals this twelfth day of February in the year of our Lord nineteen hundred and seventy-four.

## REPORT OF BUDGET COMMITTEE FOR 1974

The Gorham Budget Committee held an organizational meeting on January 4, 1974 at the Town Hall, electing Robert A. Marois as Chairman and re-electing Lee F. Carroll as Clerk. Three public hearing dates were set for receipt and discussion of budgets requested for 1974. These meetings were held on January, 16, 21 and 23, 1974.

All public hearings were held in the upstairs hall with most budget material available for the small group of interested citizens in attendance. The budgets of the Recreation Department, District Nurse, Fire Department, Library and Water and Sewer Department were presented the first evening. The Selectmen and Town Manager presented the balance of budgets under their control at the second meeting, noting Special Appropriations that would be requested. The School Board presented their budget at the third meeting.

The Committee held four executive sessions on January 28 and 30th, and February 4 and 6th, 1974 for final consideration of the budget requests presented. Budget Committee recommendations differing from submitted requests are as follows:

Election and Registrations Expenses reduced \$150.00 to \$2,000.00.  
Town Buildings Expenses reduced \$2,600.00 to \$25,000.00.

Recreation Department reduced initially from the requested amount of \$42,902.00 to \$29,972.50, later reconsidered by the Budget Committee and submitted with a \$39,900.00 recommendation, for a total reduction of \$3,002.00.

Skating Rinks reduced \$972.00 to \$2,292.00.

Water and Sewer Department reduced \$700.00 to \$54,387.39.

The recommendation of a \$10,000.00 request for a Water Rate Study was "no appropriation."

School Department reduced to \$1,040,000.00 from \$1,049,781.22, a reduction of \$9,781.22.

The following special items were recommended to be taken from cash on hand:

New Highway Truck	\$12,500.00
Sewer Study Update	15,000.00

It is noted that the Selectmen recommend using \$50,000.00 from Surplus toward the reduction of the 1974 tax rate.

The following special items were recommended to be funded by short term notes:

Jimtown Road Bridge (Town's share)	\$ 45,000.00
New Fire Station and Site	150,000.00
New Fire Truck	40,000.00

A special item involving Water and Sewer service to a proposed development off Jintown Road was voted by the Budget Committee for submission to the Town Meeting without recommendation. Selectmen recommend raising \$75,000.00 for this item by short term notes if this article is passed by the Town Meeting.

Budget forms for the school and town budgets were completed and are printed herewith. The Budget Committee adjourned at the close of the February 6th meeting.

## TOWN MANAGER'S REPORT

To the Selectmen and Citizens of Gorham:

We have just completed the first full year under the Town Manager form of government. There have been many rewarding days mixed with just a few frustrating ones. The following projects have either been started or completed during 1973:

- Tax Mapping Program—to be completed by July 15, 1974.
- Comprehensive Water Survey—to be completed by mid-March.
- New Public Works Garage—to be completed by July 15, 1974.
- Second Street Waterline Replacement—Completed.
- Promenade Street Water Line Replacement—Completed.
- Bangor Street Water Line Replacement—completed.
- Bangor Street Water Line Extension—to be completed 1974.
- Third Street Ledge Blasting—completed.
- Tennis Court Repaving—completed

Sidewalks repaved included Church St., Mechanic St., Jewell St., and part of Androscoggin St.

Streets hot topped include Ray St., Second St., and Frazer Street extension.

Hot top was applied to one section in the Lary Cemetery with just one more section to complete this project.

The Evans Cemetery fence was completed.

Lary Street was hot topped by the State this past year at no cost to the Town.

The expenditure of TRA funds this past year on the Jintown Road was very little. It is hoped that much more progress will be made this coming year. This project is under the direction of the State and will be done when their personnel are available.

This year we have been utilizing the employees in the Highway Departments and Water and Sewer Departments by transferring from one department to the other rather than hire extra employees. This has resulted in a saving to the Town in dollars.

Wherever and whenever possible any funds that were sitting idle have been invested in U.S. Treasury Bills. This has realized us close to \$3,000 in 1973, over \$3,000 will be realized in 1974 and possibly more. In addition, for the first time in many years, we were able to get by without borrowing in tax anticipation and realized a savings of close to \$3,000. Again in 1974 if we have to borrow in anticipation of taxes, it should not be but just a short length of time and not a large sum.

Several dead trees were removed from around town this past spring. More elms and maples have died during the year and will be removed in 1974. We are also in hopes of planting new ones to replace some of these.

1974 will see a considerable rise in the tax rate. Rising costs of all materials, utilities, street lighting, fuel oil and gasoline and nominal increases in salaries account for a part of this. Last year's tax rate would have been \$40.00 but for the fact of the large surplus on hand which accounts for the 1973 rate being \$34.00. This year we will not have this to fall back on and the rate will probably be in the neighborhood of \$44.00.

New items to be considered for 1974 include a new Fire Station; new Fire Truck, a new truck for the Public Works Department, to replace a 1960 vehicle; new furnaces for the Town Hall Building (these furnaces were purchased in 1927); repairs are planned on the Recreation Center Building (the chimney should be rebuilt and a new roof is needed); an article is included to keep plans moving for the Sewerage Treatment Facility, the town will be asked to raise \$15,000.00 to update the preliminary report as required by Public Law under regulations of the Federal Environmental Protection Agency; the Town has been contributing towards a retirement system for the Police Department, this year a Retirement Program for the balance of the Town Employees is being presented, the Town's share based on percentage of wages paid is \$6,500.00 (this figure would change from year to year as wages increase or decrease), the employee's share varies according to age from 4-5%, to be withheld from their wages. All permanent employees except the Town Manager would be covered. Present employees will have the choice of being part of this retirement system or not, new employees hired after the system is adopted will automatically become part of the N.H. Retirement System.

The Ambulance Service is operating under the efficient direction of Maurice Boisselle and his committee as well as the second unit in Milan under the direction of George Lewis and his committee. The Ambulance District now has in operation two ambulances, one, located in Gorham, the other in Milan. These ambulances were purchased with 50% of the cost coming through the State Highway Safety Committee.

Should there be any questions on the operations of this office feel free to call or come into the office. The door to the Manager's office is always open.

Respectfully submitted,

RONALD F. HANDLEY  
Town Manager

## Report of Planning Board

To the residents of Gorham:

Within the past year, some progress was made towards the development of a comprehensive plan for Gorham. Once this plan is developed, a tool for implementing that plan, a zoning ordinance, will be presented at a future Town Meeting for approval or disapproval of the townspeople. In developing this plan the Board acts only in a capacity of collecting residents' opinions and working them into a plan.

In an attempt to collect these opinions, a meeting was held on May 10, 1973. Some seventy notices were sent to businesses and prominent community leaders. News releases were written and published by radio and newspapers. Even though the meeting was well publicized only twelve concerned citizens attended. Their constructive thoughts were added while we proceeded—with a little less enthusiasm.

We are continuing to develop a town plan focusing on these major planning areas:

Land Use	Culture and Recreation
Economy	Public Safety
Housing	Health
Education	Communications
Water Supply	Government Structure
Waste Disposal	Community Relationships
Transportation	Community Appearance

In each of these areas we are asking three questions:

1. What have we got?
2. What do we want?
3. How are we going to get it?

We need help on all of these questions, especially No. 2—"What do we want our town to be?" This is your town and you have the right and the duty to help in the planning for its future.

The Planning Board meets on the third Sunday or the second Wednesday of each month, with interim meetings called by the Chairman. You are welcome and urged to attend any and all of them. If you are especially interested, be sure to fill out the insert in the center of the Town Report.

Respectfully submitted,  
 JOEL WHITE, Chairman

## Report of Tourist Information Booth

To the Town of Gorham, N. H.

We hereby submit our report of the Gorham Information Booth for the 1973 operating season. The booth, which is furnished and financed by the Town of Gorham, N. H., is located on Memorial Park grounds on Main Street. The booth opened for the season on Friday, May 25th and closed on Saturday, October 13, 1973. It was open from 8:30 A.M. to 8:30 P.M. from May 25 through September 22, then went onto the fall operating schedule of 9:00 A.M. to 6:00 P.M. until closing.

There was a substantial decrease in business at the booth this year which we believe was due to several causes. The threatened gasoline shortage was probably the primary cause of the decline in tourist trade, with the bad weather of the first part of the season and the publicity given to flood damages in the State, though not effecting Gorham, a secondary cause. Comparison figures for business in 1972 and 1973 are given below:

Cars	United States	Canada	Foreign	Total
1973	16,323	3,275	322	19,920
1972	18,292	4,194	370	22,856
1973 Decrease	1,969	919	48	2,936

1972	54,365	14,273	1,056	69,694
1973 Decrease	6,826	3,477	182	10,485

The Gorham District Nursing Association is made up of 10 representatives. At the present time we have one District Nurse who is working part time. It was with regret that two of our very faithful members resigned this year after serving for many years on the board. Mrs. Doris Simoneau and Mrs. Marie Stone will be greatly missed.

The directors are discussing getting involved with Medicare this coming year. This involvement will be on an experimental basis for one year with the Berlin Nursing Association.

The directors wish to express their thanks to the Selectmen, the School Board, the Superintendent of Schools, the Edward Fenn School Principal, the Professional Building Staff, the District Nurse, and the residents of the towns of Gorham, Shelburne, and Randolph for their cooperation throughout the year.

Respectfully submitted,

## REPORT OF THE ANDROSCOGGIN EMERGENCY MEDICAL SERVICES DISTRICT

The District is comprised of the Towns of Gorham, Randolph, Shelburne, Dummer and Milan for the purpose of providing emergency first aid and ambulance service to all residents of the District and cooperate fully with other towns and cities or other Districts in the area.

On July 1, 1973 the first ambulance arrived and was stationed in Gorham. Previously, with Alton Joudrey as training officer, several courses were given to the regular police officers in the District and some thirty-five residents to qualify them under N.H. Law as ambulance attendants and/or drivers. Courses were also given in the Milan area under the direction of Eugene Erickson as training officer. January 10, 1974 the second ambulance was put into operation at Milan. There are two operations committees under whose direction these ambulances operate. In Gorham the chairman is Maurice Boisselle, in Milan the chairman is George Lewis. It is the duty of these committees to see that the ambulance is in perfect operating condition and properly manned at all times.

The District purchased the two ambulances at a total cost of \$31,218.25 of which about one-half was reimbursed by the State Highway Safety Agency.

All fiscal processes are handled through the Gorham Town Office, including billing, receipts and payments. All towns in the District are billed for their share figured at \$2.51 per capita. This charge will be made for three years and then the ambulances should be self-supporting.

Until the communications are improved, the Town of Gorham's answering service will handle all calls. The number to call in all Towns is 466-5541.

The schedule of fees charged for this service is as follows:  
For District Residents:

1. Call starts in district and ends in district or ends in Berlin (i.e., at hospital):  

Flat Rate charge	\$25.00
------------------	---------
2. Call starts in district and ends out of district, or call starts outside district and ends either in district or at another point outside district:  

Flat Rate charge	\$25.00
Plus \$1.00 per loaded mile for all miles covered outside of district limits.	

3. In the case of more than one patient being transported in same trip, each patient will be charged rate as figured above divided by the number of patients.

For Non-District Residents:

1. Call starts in district and ends in district or ends in Berlin:  
     Flat Rate charge \$31.25
2. Call starts in district and ends out of district, or call starts outside district and ends either in district or at another point outside district:  
     Flat Rate charge \$31.25  
     Plus \$1.25 per loaded mile for all miles covered outside of district limits.
3. In the case of more than one patient being transported in same trip, each patient will be charged the rate as figured above divided by the number of patients.

In late January of 1974 the District Board was reorganized with ten members plus a chairman. Of this membership one member from each town is to be a selectman, one member from each town is to be an ambulance attendant, wherever possible. Gorham's representatives are Alton Joudrey and Oscar Dupont, the chairman is the Town Manager.

Mr. Arthur Lawrence, former chairman, was very instrumental in the organization and funding of this District, but left the area in November, 1973. The District recognizes the loss of this very capable man and wishes him well in his new endeavor.

Respectfully submitted,

RONALD F. HANDLEY  
 Chairman

## Report of Recreation Commission

To the Inhabitants of the Town of Gorham:

During the past year, Mr. Ray DiPasquale has again served as our Recreation Director. He has held this post now for 32 months. During that time he has been active not only in local recreational activities, but also in state recreational activities serving on certification committees and on the Northern New England Planning Committee and the Executive Committee for the State Society.

The Commission is pleased to report a successful year. More and more varied programs were offered than in the prior years and more people took part in the programs. The Commission is pleased to announce the start of hiking and mountain hiking programs and hopes that more emphasis can be placed on these in the coming summer months.

As requested by the Selectmen, the Recreation Director has taken over the operation of the skating rinks of the town. We hope that this will result in better ice skating conditions and the increased participation in hockey playing.

Like all other departments of the town we have been plagued by vandalism. We recommend the possibility of people living in the buildings being vandalized. This has been found to be successful in other towns.

Although the use of the swimming pool has been diminishing in the last few summer seasons we find that for 1973 patronage increased over that of 1972. Also, we are pleased to announce that cleanliness of the water and the area continues to be quite good and that, unlike many other cities and towns in New Hampshire, we are able to maintain a high degree of cleanliness.

The Commissioners wish to express their appreciation to the Selectmen, the Town Manager, the School Board, the Superintendent of Schools, the School Principals, the Police Department, and the many volunteers who helped to make our many programs successful. We are pleased to be able to make the statement that we are receiving the cooperation of all the residents of Gorham.

Respectfully submitted,

The Recreation Department is proposing an increase in its budget for the coming year and your support is needed. In 1973 total participation for all functions of the department was 85,000. This figure is proof of the type of program we offer. Our programs are designed for all ages and we offer a broad and varied program to you the citizens of Gorham. Our program has grown and is widely recognized by all in 1972. Our summer program was bestowed the honor of being one of the finest in the State of New Hampshire and received a second prize program award. In 1973, we repeated our performance and another one of our programs was recognized as tops in the State. Our winter and spring fun weeks held during school vacations were cited as the second best program in 1973 for the State of New Hampshire. These honors and amount of participation are proof of the recreational opportunities offered to the citizens of Gorham.

Thank you for your support,

RAY DiPASQUALE, Director

**The following is a summary of our June-August Summer Program:**

1. **Playground sessions at Gorham Common, Upper Village, and Cascade Flats.** The playground leaders were: Sharon Penney, Suzanne Miccucci, Donna Ferrante, Melaine Sgrulloni and Larry Jodrie, Program Director. These leaders were trained and participated in the Playground Workshop held in Gorham this past June.

**Summer Playground Program** — The Recreation Department offers a complete fun filled program to children from 5-14 years of age. The program is a nine week schedule of activities. Activities include: Theme weeks with a special event at the end of the week, arts and crafts instruction, hiking, story telling, sports, games, special trips, dress up days, watermelon festivals, picnics, pageants, track meets, float building, and the Little Red Wagon. Special trips went to: Pine Mountain, Dolly Copp, Wildcat Mountain Gondolas, Pinkham Notch Camp, Glen Ellis Falls and the Lead Mines. A special trip was a tour of McDonald's and special treats for all compliments of McDonald's management.

2. **North Country Junior Baseball**—Boys played in competition against Fryeburg, Maine, North Conway, Ossipee, Tamworth, and Conway. Twenty-five participated and the team finished second in the league—Coach, Larry Jodrie.

3. **Men's Softball League**—This league continues to expand with six teams registered and 108 men participating. Many spectators are also involved with big crowds on the common for evening action. Downs Dynamics, coached by George Downs, won the league championship with a 14-1 win-loss record and Gorham Hardware defeated Downs to win the Playoff Championship. Larry Jodrie was voted the

leagues Most Valuable Player, while Scott Lapierre won the Batting trophy and Dicky Downs the Homerun trophy. Other sponsors in the league were: Little Gypsy Restaurant, McDonald's, Raiders, and Brown Company Sabers. An outing was held for all teams at Dolly Copp to climax the season.

4. **Women's Softball**—Donna Loiser took over the women's team with Melaine Sgrulloni and played six games this year winning three and losing three. The team is growing with players and excitement.

5. **Little League Baseball**—Four teams participated with the Yankees winning the championship. Frank Bruni and Louie Tanguay coached this fine team. Other volunteer coaches were: Jim Terrell, Ray Halle, Bob Strachan, Ted LaPointe, Ron Blouin and Steve Collins.

6. **Olympic Day**—Annual swimming meet at Libby Pool.

7. **Track Meet On The Common**—This annual summer event is growing each year with more children as they compete in: Running races, broad jump, softball throw, and backwards race. All participants received awards.

8. **Tennis Instruction**—Twenty-six women, boys and girls, received tennis lessons for five week periods.

9. **Tennis Workshop**—Eighty participants took part in the workshop with Stan Gibson representing the Youth Tennis Foundation of New England, and serving as the Professional Instructor.

10. **Tennis Tournament**—Twenty-five participants with Luke Demers, Chuck Collins, Ronnie McCauley, Gene McCauley, and Jay Bennett as the winners in their age divisions.

11. **Senior Citizens Picnic**—The Senior Citizens traveled to Dolly Copp for their annual summer outing.

12. **Ping Pong Tournament**—A large number of boys participated in the tournament with Danny LaPointe as top winner and his name engraved on the table tennis plaque in the Center.

13. **Basketball Instruction**—Larry Jodrie, Program Director, directed a five week program of instruction for basketball players.

14. **Boston Trip**—Fifty-five adults and boys traveled to Boston to watch the Red Sox and enjoy a fun day and trip.

15. **New Hampshire Soccer Conference**—The Soccer Club consisting of adults and high school players were coached by Malcolm Longenecker and finished high in the standings against: Lancaster, Littleton, Whitefield, Oxford, Meredith and Woodsville.

16. **Recreation Center**—Open the entire summer for all activities with tournaments, pool tables, ping pong, games and all other aspects of recreational fun available for all to participate.

### **LIBBY MEMORIAL SWIMMING POOL**

**Personnel**—Head Lifeguard, Francis O'Connor. Lifeguards: Mark Eastman, Rae-Jean Chandler, Timothy Finnerty, and Kerry Adams. Ticket booth manager, Gary George. Maintenance, Neighborhood Youth Corp.

All Lifeguards had received their Senior Life Saving certificates. Lessons were offered to Beginners, Swimmers, Advanced Beginners. Cascade children were transported to the swimming area on Tuesday and Thursday mornings for swimming lessons and afternoons on Monday through Friday for general swimming.

A total of 184 families purchased resident passes with 948 residents using passes, and a total of four families purchased non-resident passes with twenty-six people using passes. Total decrease of ticket sales was 12 passes below 1972.

This season's income was higher than last year, \$1,494.17, as was attendance 9,900 for an increase of 362 participants.

In general, the year was successful with damage occurring to the raft and picnic tables.

Director and Libby Pool Staff

### **RECREATION PROGRAM FOR SEPTEMBER-MAY**

1. **Junior League Basketball** — The Lakers won the league championship with Quentin Reisch heading the coaching duties, and the Knicks coached by Malcolm Stewart and Butch Loven won the Playoff tournament. The champions, the remainder of the league, and the cheerleaders were honored with a pizza banquet and all were excited watching films of themselves in action. Matthew Boisselle and Frank Bruni were awarded the "Harry Corrigan" Sportsmanship Award for 1973. Volunteer coaches for the remaining teams were Jim Terrell, Ed Drew and Bill Hoag.

2. **Junior League Cheerleaders** — A large group of girls who cheer their favorite team each week. Lisa Coury and Elaine Stockbridge were awarded "Cheerleader of the Year."

3. **Men's Volleyball** — 25 players have registered for a weekly fun week at the Edward Fenn School.

4. **Women's Volleyball** — This program has been extended to high school girls and they too play at the Edward Fenn once a week.

5. Men's Basketball League — Four teams were formed with games played at the Edward Fenn School. The faculty emerged as the undefeated Champions.

6. Boys and Girls Junior League Soccer — These elementary children play in competition against North Conway, Jackson, Bethlehem, Bartlett, Littleton and Lancaster. 49 registered for this program of fun.

7. Junior League Hockey — Elementary boys participate on the Common each week. They also play at the arena and are scheduling games with surrounding communities. Rosaire Brault is one of the volunteer coaches and he also donated his time in building the new hockey rink on the Common.

8. Junior High Hockey — Roland Chabot is the volunteer director for this hockey program with 7th through 9th graders playing on the Common and at the arena.

9. Adult Floor Hockey — Four teams played as hockey came indoors this winter. Jerry Ramsey was the league leading scorer among fifty adults who battle hockey indoors on sneakers.

10. Junior League Floor Hockey for Girls and Boys — Played in a league after school at the Ed Fenn. Four teams were formed with plenty of action for all.

11. Little Girls Basketball — Girls play after the boys season in league competition. 50 girls are expected to participate.

12. Celtics Day — Sponsored by the New Hampshire Recreation and Park Society. 60 adults, girls and boys traveled to Boston to watch the Celtics in action.

13. Annual Halloween Party — The Recreation Center is turned into a haunted house as 200 children received treats and some tricks for a fun-filled but "scary" evening.

14. Annual Burning of the Greens — Held on the Common each year in January.

15. Elementary Dances — Dances are held during the school year for 5th-7th graders. Refreshments are served as a fun evening is provided for this age group. Average attendance is 48 per dance.

16. Winter and Spring Fun Week — One of our most successful programs over 3,000 participants. Games, tournaments, refreshments, movies and prizes are all provided during a week long vacation of fun for girls and boys of all ages.

17. Fun Day — Veterans Day was a holiday for all children to visit the Center for contests and games and movies to thrill and haunt the young and old. 250 participants.

18. Hunter Safety Course — Offered by the Fur-Feather and Fin Club. 25 girls and boys were instructed and received certificates from Darrell Hewitt and Rosaire Brault.

19. Recreation Center — Open for free play after school and in the evenings. Special events are also held throughout the year.

The Recreation Center offers the following activities to the citizens of Gorham:

1. Pool — Two tables are provided in our game room. Various tournaments are held throughout the year.

**REPORT OF BUILDING COMMITTEE FOR TOWN GARAGE**

The Board of Selectmen appointed the Town Garage Building Committee on March 20, 1973 to be comprised of all members of the Study Committee plus the Selectmen and Town Manager.

Many meetings were held interviewing contractors regarding types of buildings, types of construction materials, size of building to meet our requirements. The Committee then decided to hire a design engineer to present plans and contracts to put out to bid.

Bids were opened on October 25, 1973 and the bid was awarded to Richards and Son, Inc., of Berlin, N.H. The garage is to be ready to move into by July 15, 1974.

Respectfully submitted,

For the Garage Building Committee

## Report of the Fire Station and Fire Truck Study Committee

As directed by the 1973 Regular Town Meeting, the Selectmen appointed a committee to study all aspects of a new, centrally located, Fire Station and a new Fire Truck which had been recommended by the N.H. Insurance Services.

Those who have served very faithfully on this committee are: Chester Berry, Guy Gosselin, Corson Lary, Frederick Twitchell, Jules Croteau, Darrell Hewitt, Laurent Nault, Town Manager (ex officio).

The committee met several times during the early spring and into late summer. Several locations were thoroughly studied in relation to centralization, traffic problems, adequate size of lot and adequate size of the building. Also taken into consideration were future fire department development, central communications room with full time dispatchers for all emergency services including police, fire and ambulance, as well as the possibility of combining the Police Station into the same building. It appeared that a building 80 feet by 90 feet would be adequate for these needs. This building to be of brick and cement type construction of colonial style in keeping with other buildings in the community.

The committee has decided to recommend to this 1974 Town Meeting two articles: one, to authorize the borrowing on short term notes not to exceed five years an amount not to exceed \$150,000.00 for the acquisition of land, site preparation and construction of a new Fire Station; the other, an article to authorize the borrowing of an amount not to exceed \$40,000.00 on short term notes not to exceed five years for the purchase of a new Fire Truck.

There are two lots under consideration. One is now owned by Mrs. Shirley Sanborn across from N.H. Sun Station and next to the Moose Brook Bridge, the other is now owned by Donald Gilmore and is located across from McDonald's Restaurant. The Gilmore property seems to be more desirable at this time due to straight view of the highway in either direction. The Sanborn property is not as desirable due to its close proximity to the intersection of Routes 2 and 16 and the Moose Brook Bridge.

An architect's sketch of this building will be on display at Town Meeting.

## Report of White Mountains Region Association for 1973 (36th Year)

Your Region Association, through its promotional and financial responsibilities, was one of the principal organizers of the White Mountains Art and Music Festival. This Festival has been acclaimed as a truly significant contribution to northern New Hampshire and in 1974, with a much larger budget, the program is expected to expand markedly.

Your Region Association also helped to set up the Hotel-Motel training program at the Waumbek, Jefferson, N.H. Because your Association has for many years promoted the region's hotel-motel industry, the directors felt this training program would effectively complement these on-going promotional activities. The responsibilities incurred by your Association were: a questionnaire designed to answer "Is there a need for the program" and assistance in employing graduates of the program in the region's hotel-motel industry. Additionally, your Association set up meetings with hotel-motel owners and managers to work out any problems and to exchange ideas.

Other activities for 1973 included: completion of a canoe and kayak folder (designed for promotional purposes), a State requested survey of flood damage to the private sector of northern New Hampshire's economy, representation at the Eastern States Exposition in Springfield, Mass., presentation of 4-H awards in Grafton and Coos Counties and annual subscriptions of the 4-H National News Magazine to club leaders, and the annual solicitations of listings for the New Hampshire Accommodations and Dining Directory and the Where to Stay folder. Additionally, your Association's executive director acted as secretary of the N.H. Council of Region Associations, an organization which works closely with the State's Office of Vacation Travel.

Your Association for its 1973 annual meeting set up a panel discussion on the subject of "Wilderness in the White Mountain National Forest." Panelists included representatives of the N.H. Snowmobile Association, the Appalachian Mountain Club, the Society for the Protection of N.H. Forests, Sno-Engineering, the wood products industry in northern New Hampshire, the Sierra Club, the State's Bureau of Off-Highway Recreation Vehicles, the U.S. Forest Service and the North Country RC&D Project, Inc.

With regard to legislated matters your Association supported House Bill relative to Open Space. In large part the directors saw this bill as an attempt to help preserve our farmlands here in the region. Furthermore, your Association supported House Bill #10 relative to Off-Highway-Vehicles with the exception that the majority of directors felt snowmobilers should ask the permission of the land-owners during periods when there is adequate snow cover.

Finally, the executive director spoke on Association activities both on radio and before several chambers of commerce and Rotary clubs in the region.

Inquiries for the year totaled 5,000.

Wrote 27 news releases, 2 newsletters and 140 personal letters.

# Report of Trustees of Trust Funds

## Summary of the Trust Funds of the Town of Gorham, N. H. December 31, 1973

Listed below is a general resume of all trust funds and an account of the Miles Mullen Catholic Cemetery Trust Fund. On the following pages is a detailed account of all cemetery and miscellaneous funds, including a resume and a list of expenditures made during 1973. All funds, except for the Miles Mullen Trust Fund, are invested in individual accounts at the Gorham Savings Bank and drew interest at 5% from January 1 through August 1, 1973 and at 5¼% for the balance of the year. Interest is now figured daily and added to each account monthly. The Miles Mullen fund is invested in Gorham Savings Bank Certificates of Deposit for two years in the amount of \$8,000.00 and the remaining \$2,000.00 is invested in United States Savings Bonds. The Certificates of Deposit paid interest at 6% to August 1, 1973 and at 6½% thereafter.
